Hello! I'm Adel, a 24 years old, a student of Informatics Engineering in Syrian Virtual University.

Fond of technology, Able to adapt with work nature, like teamwork and ready to face whatever the difficulties of working :)

PERSONAL DETAILS

Name	*Mhd Adel SaadEddin*
D.O.B	*1 June 1996*
Tel	*+963 11 331 6867*
Mobile	*+963 962 864 200*
	+963 949 269 442
Emai	*sy3adel@gmail.com*
Place	*Syrian - Damascus - Al Jeppeh*

EDUCATION

The Fiveth Year
2014 – present

Program	*Information Systems Engineering*
Specialization	*Artificial Intelligence*
University	**Syrian Virtual University**

EXPERIENCE

ICPC - International Collegiate Programming Contest

Contestant 2016 - Present
• Qualified to participate in the 44th Annual World Finals of the International Collegiate Programming Contest.
• Participated in The Africa & Arab Collegiate Programming Championship for four years in a row.
• Silver medal in the 2019 Arab and African competition (ACPC).

Problem Setter 2017 – Present
• The 2017 Lebanese Collegiate Programming Contest.
• The 2017 Moroccan Collegiate Programming Contest.

Judge 2017 – Present
• The 2019 Syrian Private Universities Collegiate Programming Contest.

Senior Frontend Developer at ITDBase 2020 - Present
• Building reusable components and front-end libraries for future use.
• Translating designs and wireframes from Figma software into high-quality code.
• Optimizing components for maximum performance across a vast array of web-capable devices and browsers.
• Document and refactor frontend codebase.

Co-Founder, CTO at Flex 2020 - Present
• Outline the goals for research and development.
• Creating timelines for the development and deployment of all technological services.
• Making executive decisions on behalf of the company's technological requirements.
• Managing technology budgets and time frames.

Imagine

Project Manager 2016 - Present
• Activity and resource planning.
• Cost estimating and developing the budget.
• Analyzing and managing project risk.
• Organizing and motivating a project team.

Back End Developer, Project Team Leader
• Solve complex performance problems and architectural challenges.
• Build efficient, testable, and reusable PHP modules using Laravel and Codeigniter frameworks.
• Develop and consume APIs and writing unit tests.

Web Developer at Intercom 2018 - 2019
• Develops both front-end user interfaces using Javascript frameworks and back-end architectures using the Laravel framework.
• Refactor and review the existing codebase.
• Working with internal and external APIs to build dynamic services.
• Supporting development teams by providing knowledge and training resources.
• Client communication (verbal/written) as and when required.

Database Manager at Syrian Arab Red Crescent 2017 - 2018
• Maintains database results by setting and enforcing standards and controls.
• Writing optimized SQL queries for integration with other applications.
• Keeps senior technical management informed by preparing reports on system performance and problems.

Application Developer at Linkup 2016 - 2017
• Implement automation tools using selenium.
• Developing ideas for new programs, products, or features.

💼 VOLUNTEER EXPERIENCE

Coach and Online Tutor at Syrian Virtual University 2017 - Present
• Teach how to think and solve competitive programming problems including algorithms, and programming languages.
• Create a training plan including online sessions, individual and team contests, and training camps.
• Register participants in ICPC official competitions and provide support and supervision.
• Work and communicate with program coordinators.

Coach in a Competitive Programming Training Camp at Higher Institute for Applied Sciences and Technology 2019
Participated as a coach in a training camp for 4 weeks in the period between 18/08/2019 and 12/09/2019, 8 hours per day.
This camp has been attended by students from six universities: Higher Institute for Applied Sciences and Technology, Damascus University, Syrian Virtual University, Syrian Private University, Yarmouk Private University, Arab International University.

💼 LICENSES AND CERTIFICATIONS

ITMOx - I2CPx (Competitive Programming) from edX 2016.
Credential ID: e5e9a856ea7346fd80500159eac2c888

Master according to Codeforces rating system.
Handle: Adel_SaadEddin

💼 HONORS AND AWARDS

First place in Arabic Digital Content Competition 2020.
The first place in Arabic Digital Content Competition with Flex project.

💼 SKILLS

Problem Solving   Algorithms   Data Structures   Systems Analysis   Machine Learning

C++   Java   React.js   Graph QL   Redux.js   Laravel   MySQL   Figma   Jira   Flutter   Git   Python

Coaching   Tutoring   Teamwork   Team Leadership

💼 LANGUAGES

Arabic: Native or bilingual proficiency
English: Professional working proficiency
